Stay cost worksheet

A local cash-flow worksheet. Published plan prices and personal estimates stay in separate columns.

Plan and price record		Dataset and price IDs belong on a real copy
Stay		Start included, end excluded
Lines		Whole-account price
Service		Published or user input
Promotion		Only if the conditions are confirmed
Service after promotion		Arithmetic from the rows
Additional tax		User estimate, never zero by default
Activation or one-time		User input
Device		Do not count full price plus installments plus balance
Old account exit		User input
Separate home internet		Included in rent or not needed
Total		Fictional teaching example
Average per month		Arithmetic, not a carrier quote
Missing or unverified		The result stays partial if a required field is blank

Data version 2026-10-27.5. This is a local preparation sheet, not a carrier quote, an account approval, a device approval or a port request. Do not record an SSN, IMEI, transfer PIN, account number or password here.
